

DAY OF FIRE: POMPEII & VOLCANO TREK

Recent Reviews

"After the Vatican museums and generally big crowds everywhere else where we went in central Rome, we needed a days break and chose Pompeii with the volcano climb and a separate event later in the evening in Naples. Tufo Tours scheduled everything for us and the tour itself with Luca who also accompanied us up to the volcano edge was a great moment for us during our vacation. Thank you for this wonderful experience." Tony S.

"We had to do Pompeii and Vesuvius on our last day in Rome and we made it! We made a last minute booking and Tufo Tours arranged everything the evening before. So lucky to have found such a hard-working team and they were in touch until gone 11 at night to confirm everything clearly. Our Pompeii tour after an awesome train ride was so interesting, everything connected to the volcano and a few hours later we were there walking around this colossal and quite scary crater. It is active, so maybe bring a mask. Highly recommended!" Martin H.
