

DAY OF RUINS: COLOSSEUM & POMPEII

Recent Reviews

"Just the greatest adventure! We got hooked on the title and booked it - the Colosseum entrance was early morning and amazing then we went straight to the main station and jumped on the tilting train to Naples - VERY fast! After an hour connecting in Naples and some food we entered Pompeii and toured the ruined city which was quite tiring after the Colosseum before but also really exciting. Vesuvius is close and it's easy to picture what happened. If you like to explore ruins and learn some archaeology mixed in with a busy schedule, then this day is definitely for you." Matt A.

"Thank you for organizing this. Everyone was pleased and said the ruins inside the Colosseum and then Pompeii were amazing." Damien R.
